Betrino UK Online Casino Response:	Yes, on the sport it is available once and the wagering is as follows. The winnings from your free bet (stake not returned) are your bonus funds, which you need to wager (bet) 1 time. Wagering occurs from real balance first. The wagering

requirement is calculated on bonus bets only. Just remember to check the expiry date of your free bet so you can complete your wagering while your free bet is still active. For full details, be sure to have a look at the terms of the promotion. For casino it is also available once, wagering as follows. The Bonus Funds will be converted to real money only after wagering the sum of the initial bonus (the "Requirement"), 50 (fifty) times unless stated otherwise. Wagering occurs from real balance first. The wagering requirement is calculated on bonus bets only. If you do not complete the necessary wagering, the bonus funds are removed from your balance in full and are not converted into real money. When your bonus funds are converted into real money, this is capped at a sum equal to 3 times the initial bonus amount received, unless stated otherwise.
